## MESSAGE FROM THE PRINCIPAL

### He Karere Nā Te Aporei

Dance, volleyball, basketball, rugby, badminton, netball, football, chess, jazz band, Duke of Edinburgh, Pasifika, Te Roopu Manaaki Kapa-haka, school wide swimming, athletic and academic competitions, international school visits, Trades Academy, Cambridge International Examinations and NCEA qualifications from Level 1 through to scholarship. 2019 has been a year packed with experiences and opportunities for our students and our wider school community. We have had repeated successes, first time successes, narrow losses, triumphant returns and stunning performances in all areas of the school and this is a chance to both celebrate and acknowledge all of those who have made this year special. It has been a year that I will remember with pride, most recently during the Young Achievers function at the Energy Events Centre where Western Heights High School was represented with flair and skill. The musical performances from our Year 13 students certainly shone the light on the calibre of young people who attend our school.

I would also like to acknowledge those unsung heroes that support our students. Those parents who come to goal setting and interview days, who coach teams, who stand in the rain cheering on the whole team. We have members of our community who will give up their time, lend a supportive voice and raise the spirit of those around them. We have businesses and organisations who will offer support, whether it is money, prizes or facilities, to our students to a wide variety of causes and groups. We have teachers staying after hours, organising concerts, getting up at 5 to drive vans and getting the teams to and from venues. Both on and off the field, in the concert venues, dropping off forgotten gear or waiting in the car for exams to finish, our school community has my appreciation for all that they do.

Our students are our greatest asset and there have been opportunities for leadership in a number of fields. We had excellent academic results and many of our senior students will be following their dreams at universities and further afield. Within the house group system the student leaders of all five houses have been actively involved in sports and cultural events. There has been peer support and mentoring, quietly working with other students continuing to make to school environment inclusive and positive. These role models continue to inspire those around them. The greatest hope is that all our students find in their time here at WHHS their ability to contribute and to lead. Being a Heights leader is important and I wish them all the best as they move out into the wider world.

Ko Te Arawa te waka  
Ko Te Arawa te iwi  
mai Maketu ki Tongariro

Kahira Morris  
Principal

## MESSAGE FROM THE BOARD

### He Karere Nā Te Tāngaengae O Te Rua

Kia ora koutou,

Thank you to all the employees at WHHS for all your work this year. It has not always been easy but you have continued to try and achieve the best outcomes for our students. It has been a busy year for the entire school and Board of Trustees, with the resignation of the Principal Mr Gemmell, Board elections, school rebuild projects and ERO visiting.

I would like to thank Mr Gemmell for all his work as a Deputy Principal and as the Principal, he has moved the school forward in the right direction. He leaves a legacy of inclusiveness and change management. When reading this, hopefully a new Principal will have been appointed.

The Board have had some changes from the elections: welcome to Daphne Williams, Melissa Gordon and Denton Grimes. Thanks and farewell to Greg Bell and Robyn Skelton. Your contributions have been measurable and appreciated.

Finally to the students, do the best you can and if things do not go your way, show resilience, think about how to deal with it and then try again. The school will celebrate your successes with you.

Merry Christmas and happy new year.  
Nga mihi

Mike Mambery  
BOT Chair

## To Jim, on your leaving ...

After a long career at RBHS, Jim Gemmell travelled the high road to Western Heights. Starting in Careers, where he organised an Air Force helicopter to land on the school grounds, and also teaching maths, Jim eventually moved to a Deputy Principal position.

Jim was in charge of NZQA, and took responsibility for the academic pathways of our senior students. Jim, right from the start, was highly visible on the sideline and audience of the schools many sporting and cultural events. Often giving up his own time to support the school. He took a particular shine to Te Roopu Manaaki, a love that he sustained throughout his career here at Heights.

It was in his role as Deputy Principal that Jim took on all the challenges of "Heights". He quickly learnt that his accent was sometimes hard to understand and had to "heightsify" how he spoke. We learnt to say pardon often!

Jim never shied away from doing the hard jobs and everything he did was with heart.

In 2016 Jim was appointed Principal at our school. It was a role for which he had served a long apprenticeship at two different schools. As Principal Jim had an open and trusting style of leadership. He let people do their jobs but was not afraid to pull them up when needed. He believed that students were the heart of the school, and that the heart of Western Heights High School has been, and forever will be, loyal and strong.

Jim, we thank you for your service at Heights and also for your service for all the children of Rotorua.

*Kia hora te marino, kia whakapapa pounamu te moana, kia tere te kārohirohi i mua i tō huarahi.*

May peace be widespread, may the sea glisten like greenstone, and may the shimmer of light guide you on your way.

# PREFECTS

## Ngā Poutiriao Ākona

It has been an absolute honour to serve as the Head Prefects of Western Heights High School this year. Heights has been a huge part of our lives for 5 years, and it has been the most amazing opportunity to lead our school.

We have been through our fair share of fire drills and lockdowns. We've run our fair share of perimeters, pack runs, and beep tests. We've done our fair share of exams, presentations and speeches. We've made the most of our time here at Heights and loved all of it.

Heights has molded us into the people that we are today and for that we have to thank you.

To all the teachers and supporting staff: We thank you so much for your patience, dedication and passion for our education. You are an incredible part of our lives. To all the whanau: Your love and support are the pillars that we stand on. Thank you for raising us to the people we are today. We hope to continue to make you all proud every day.

Thank you to our deputies: Rahera, Emma, and Damon, for the great support that you have given us throughout this new experience. Without your reinforcement we wouldn't have made it through the year and can never show you how much that support means to us both.

And to all our fellow students and friends: You all have made our experience at Heights the best. We are so proud of the growth that we have been through together. All of you have helped us so much. Thank you all for having our backs through thick and thin. We can't wait to see what greatness the future holds for all of us. We know that no matter what happens, this time at Heights holds some of our best memories.

Ma tini ma mano ka rapa te whai

Nga mihi koutou

Forever grateful  
Emily and Tyler

# TE MARU

Te Maru has had another exciting year. A major highlight has been progress towards a new Te Maru building – initial stages only! We have been as busy as ever with our regular activities as well as some surprises.

We hosted another Japanese teacher from Yokohama Deaf School – Yuka Hanami. We were thrilled when Yokohama Deaf School asked us to become a “Sister School” with them. A group from Western Heights will include Yokohama in their trip to Japan in 2020 for signing documents.

This year we introduced a leadership role “Te Toa O Te Maru” Te Waikura Witoko was our first recipient of this role.

Regular activities included RDA, MIGS (Mid Island Gymnastics) Dance Class (Lakes Performing Arts Company) Woodwork, Lawn Bowls, Special Olympics Swimming and Athletics, Yoga, singing at the Gardens Rest Home, Ngongotaha Care Village and Cantabria, Barista workshop and cooking. We also encourage and support our students to participate in Heights Creative.

We also have work experience at the Third Place Café, Parksyde, All Seasons Holiday Park, and Brown Owl Food Cooperative. Many thanks to these businesses for providing this invaluable experience. Students continue to work towards Spec – South Pacific Education Programme qualifications – NZ certificate in Living Skills.

# TE MARU

# BUSINESS AND COMPUTING

## Kaipakihi Me Te Pūnaha Rorohiko

### Business Studies

#### Year 9

2019 was a chance to revamp the course by adding in more content that will benefit students in their senior school, and we hope they continue to choose Business Studies as a subject. We had a lot of fantastic students opting for Business studies, and showing a lot of ability which is very pleasing. The students came up with some fantastic original products, and they should be very proud of that. We were able to also go to Skyline sky rides to witness and be shown their products, and how they were invented and operated. The students had a fantastic time, and learnt a lot. Thank you to all the students who chose Business Studies as one of their options.

#### Year 11 Cambridge Economics

The Year 11 Cambridge Economics class travelled to Auckland to visit Rainbow's End. We listened to a talk about production decision making and used the information to complete an internal assessment. The class was then allowed to go on all the rides. It was a fun day out. Emily London

#### Year 11 Business Studies

Education outside the classroom provides enriched experiences for our students. During the year the level 1 Business Studies students visited Waimangu Volcanic Valley where they learnt about the operations of a small to medium sized businesses. The students focused on human resources and how they manage the recruitment process.

During term three they had an opportunity to work alongside Deloitte, a consultancy company who deal in auditing and financial advising.

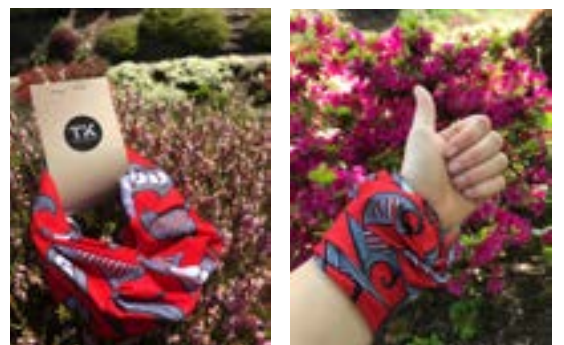

Students took part in 'Grow' where they were challenged to take \$5 and turn it into something more using their entrepreneurial skills. At the end of the four weeks, students presented their business plans and successes with a group of delegates from Deloitte.

#### Year 13 Business

We had four Y13 business teams who performed very well in the planning and running of their business activities. Te Kāmeta is a sportswear business that has designed and developed a unique and versatile clothing item known as the buff scarf. The piece is effectively a "thneed" (the lorax) and can be worn in many different ways to cater for the needs of the wearer.

*It's been awesome to have a platform to put my outdoors/sports passion into my schoolwork and share that passion with other people -Jeremy Phipps*

## BUSINESS AND COMPUTING

### Kaipakihi Me Te Pūnaha Rorohiko

#### Rangatahi Business Challenge

Twenty two of our year 10 business students were involved in the The Young Enterprise Rangatahi Business Challenge at Toi Ohomai this year. It was a 3-day fun and interactive workshop for high schools in Rotorua. The students had the opportunity to develop work-ready skills and connect with Maori business owners who shared their success stories. Izon Epiha, PJ Crosbie, Bryanna Cassidy and Conrad Newton were part of the team who had the best solution for a business problem.

#### Westpac Young Innovator of the Year Award

We had Dale Noble and Kayleigh Waller from Western Heights selected as finalists of Westpac Young Innovator of the Year Award this year. They were interviewed by the Ministry of Education who awarded Kayleigh Waller Young Innovator of the Year. Congratulations Kayleigh!

## Digital Technologies

Another exciting year in the ever changing world of Digital Technologies, with the big push for all schools to provide Digital literacy to students and the Government's new innovative learning program. The demand for digitally skilled school leavers has identified the competencies, skill and knowledge we want for all our students to equip them as digital citizens, and the skills students need to pursue digital technologies for NCEA and beyond.

Digital Technologies is always reinventing itself with the purchase of professional Audio/Video equipment for video development, testing tablets for Application creation with Android and the re-introduction of Robotics to the curriculum, has really made this subject "The subject of CHOICE".

This year was the first time we did not enter a team in the online esports game League of Legends NZ tournament due to the game being change to DOTA. Hopefully next year LOL returns.

Computer Club this year has again been popular with students, held every Wednesday and Thursday in B10 and B12 Computer Labs. This year the club was run by Jay Leo Eparaima, who had great ideas for the club, but somehow the club turned into a minecraft club. If you're interested in joining the group in 2020, catch up with Mr Gear in B12 Computer Lab for more information.

## SCIENCE Pūtaiao

The Science department has had a very successful year with many activities throughout the year.

The curriculum was covered in each of the strands of Living world, Material world, Physical world and Earth and Space Science. In the Year 11 curriculum there was a trip to The Buried Village where the students learnt about the events and saw the artefacts of the 1886 eruption of Mt Tarawera.

Right: Students at Buried Village  
Below: Students at view point overlooking Mt Tarawera

Orientation days were informative for the prospective students and showcased what we have to offer in Science. The Level 3 Biology students enjoyed a day at Hamilton Zoo where they learnt about primate behaviour and could observe the chimpanzees. Some of our senior students helped record data for Massey University during the dissection of catfish specimens.

# SCIENCE Pūtaiao

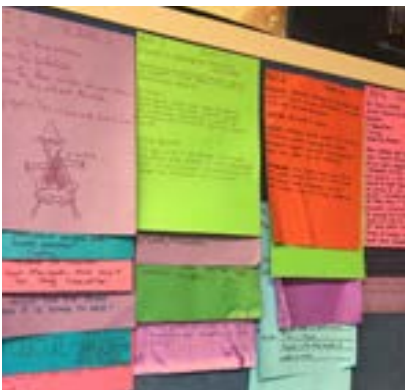

# ENGLISH

## Ingarihi

**The invention of the shovel was ground breaking,**

**but it was the invention of the broom that truly swept the nation.**

So you're back doing English in 2019  
And while you are reluctant, the teacher seems keen  
To teach you about how to read and to write  
And interpret the films you watch every night  
To 'decode' they may say, looking out at the faces,  
See the world through the eyes of those in different places.  
Because sometimes it's words that do the most harm,  
And it's always words that hold all the charm,  
It is up to you to watch what you say  
But hopefully the stuff that you learn every day  
Will help you realise that words are not what they seem  
They are not just a caption under some funny new meme  
They are how we navigate through our everyday lives,  
A world where not everyone's ego survives.  
Some words have a history, some are shallow or deep  
Some suddenly appear and some we choose not to keep  
You may have a kerfuffle beside the icebox,  
You may gallivant away from someone with the pox,  
Or the fridge might be the setting of a fight  
And when someone is sick you wander off into the night,  
Those two different lines mean the very same thing  
But some words we throw out and to others we cling.  
And, yes, you have to do English up until year 13  
And yes, spelling and grammar may crash your daydream  
And yes, there are speeches and posters to draw  
And yes, some of our students will leave you in awe  
Of their talent and skill as they present how they feel  
In an essay or image or passionate spell  
They will speak or debate, they have something to say  
And to quote Captain America, they "can do this all day".  
Because our words are how we say what we mean  
So don't be reluctant, be heard and be seen.

# PHYSICAL EDUCATION AND HEALTH

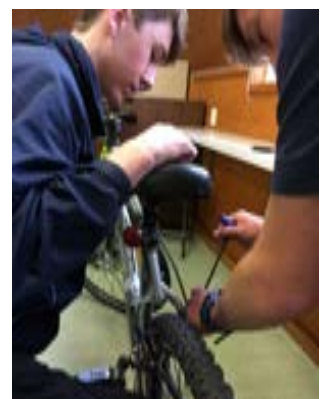

## Hākinakina Me Te Hauora

### Outdoor Recreation and Sport

The purpose of Outdoor Recreation and Sport is to expose our students to the outdoor/adventure tourism industry through a variety of challenging outdoor activities. The activities that students engaged in this year were: Adventure Based Learning Games, Rock Climbing, Abseiling, Mountain Biking, The 'Tough Guy and Gal Challenge' and Surfing. Through participating in these activities students learn to:

- Develop learning through direct personal experience
- Develop intellectual, physical, spiritual, social and moral development through participating in challenging outdoor experiences
- Build self-esteem and self-confidence
- Develop an awareness of the needs of others
- Learn how to negotiate risk safely, in a variety of contexts and environments
- Develop communication skills
- Develop management strategies for self and others
- Develop leadership skills
- Move outside their comfort zone

A real highlight this year again has been the Surfing! Although we have had some difficult conditions, everyone had a great time. During this unit students learnt a lot not only about the skill of surfing, but how the ocean itself works, including gathering knowledge of wave formation, rip currents and ocean safety. It was amazing to see all of our students grow and develop as the year went on and I know they will look forward to the challenges that await them next year! We look forward to meeting the next group of keen ORSP students for 2020!

# DRAMA

## Mahi Whakaari

The Drama year began with the Senior Drama students trip to the Pop Up Globe in Auckland to experience the production of William Shakespeare's 'Hamlet'.

We then moved into preparing our production of the play 'Antigone' written by Sophocles' at the end of term one. Some found the Ancient Greek drama challenging, interesting and different to things they had done before. The Devised drama was structured around the stories of migrants in New Zealand and performances of excerpts from New Zealand plays were a highlight.

Junior Drama workshoped with 'Toi Amari', learnt the all important basic games of team work and co-operation, created and devised pieces and developed performance skills.

In class important notes learned over the year were to 'focus in class and learn the script properly', and that it was challenging to 'remember lines all the time.'

### Spanish

It has been a great privilege for me to join the WHHS family as the new Spanish teacher and to take over the long and sustained work done by Mrs Parker, teaching and promoting Spanish in Western Heights for close to 15 years. Her commitment and support of students shows in the love for learning and the great command of the language all students in the Spanish programme show. I feel privileged to be able to continue and develop all the awesome work that happens around Spanish and the Languages Department.

One highlight of the year in the junior school has been the establishment of a Spanish pen pal agreement with students from Napier Girls High school. Under this, our year 10 students exchanged letters in Spanish with their counterparts in Napier. The letter writing exercise helped our students discover how much Spanish they knew and how much they could communicate by writing. Besides that, they got to know about other students' lives, experiences and their shared love for Spanish. We hope to continue our collaboration with Napier Girls and continue fostering the growth of Spanish in our students.

This year in the senior school we were fortunate to have had several international students from Chile and Germany join our classes for different periods of time. Our local students have been great class hosts and have been very welcoming and supportive of our visitor students. In return, our international students generously shared with us about their lives, cultures and costumes back in their home countries, making our classes more diverse, culturally rich and of course, full of their native and authentic Spanish.

No Spanish class is fully complete without "Spanish Fiestas" and this year we have been able to celebrate several events incorporating sounds, colors and flavors from the Spanish world. One special celebration planned and organized by the year 13 students was Chile's Independence Day which takes place on September 18th. On this day we replicated the celebratory events that all Chileans students are accustomed to. First, we decorated the classroom with Chile's national colors and national flower: the Copihue. Then, we learned about "18 de Septiembre." Food couldn't be absent, so we cooked traditional Chilean dishes like "Completo" (Chilean sausage sizzle), "Sopapillas" (pumpkin fritters with salsa) and "calzones rotos" (Chilean version of fried bread!). Besides preparing and tasting all these delicious foods, we also learn the steps and danced the Chilean national dance, La Cueca. Big 'gracias' to our Chilean students for letting us experience Chile in such an important day!

Finally, it has been great to welcome back into WHHS our two year 11 students, Tian and Jade, who spent 3 months as exchange students in Curacaví, Chile. They were hosted by Farmland School and had an incredible experience being immersed in Chilean culture and way of life. Their Spanish skills have strengthened greatly and their command of the language is a gift they share with the class. In return, Anaís and Pia are spending 3 months in WHHS. I hope more WHHS students will take advantage of this great opportunity and venture to travel and live in Chile in the future.

Felicitaciones to the class of 2019! and I look forward to a very eventful and successful year in 2020. Proud to be Heights!

### Japanese

Japanese class is something that I really enjoy. I personally love learning about the culture of other people and in doing that, the language as well, as I am very mixed myself. Japanese was one of the first languages that I wished to learn and learning it at WHHS with Miss Motegi has made it a fun experience for me. In class, we get to understand festivals, when they happen and how they are celebrated. Also, majority of the class are on their way to “mastering” their first alphabet; Hiragana. Then Katakana and Kanji to follow. We even had a lesson on Origami and that was frustrating, but fun at the same time. Overall, it’s a super cool thing to be a part of, because everyone’s practicing with each other and along with that, being able to get closer to the language and as friends. Japanese is a super cool language that seems hard to learn, but after a while, it becomes more fun making it easier and enjoyable. I like learning Japanese. :)

Connie Clark

こんにちは。わたしのなまえは Eliza です。 This Japanese class, I have been learning Japanese with Motegi Sensei, over the course of this term I have learnt so much in a very safe and supportive environment. We have learned classroom commands, how to say our name, the monthly festivals, what country were from, how to write all Hiragana characters and have started on Kanji. We’ve also learnt how to count! I am really improving my Japanese language skills in Japanese class. I’m very happy to have chosen it as a subject. I really recommend picking it up yourself if you want to learn another language.

Eliza Diamond

Japanese is an amazing language to learn at least I have found it so. With Japanese I have found new confidence in myself and the teacher is always there to help me if I haven’t done the character correctly. She’ll help in anyway possible and at the beginning of the year my teacher (もてぎ せんせい) explained to the class we can go to Japan at senior levels as an option for twenty one days with a cost of \$5000. Also doing Japanese in the future we may be able to do gap year or get a job over in Japan. Honestly I love Japanese, its relatively hard but extremely fun.

Jarell Keane

# INTERNATIONAL LANGUAGES

## Ngā Reo O Te Ao Whānui

### French

This year has been another busy one for the French department.

Year 9s have enjoyed entertaining our visitors from College Portes de Fer, Noumea, New Caledonia. The group of 15 students and their two teachers visited at the end of Term 3 for 10 days, spending 2 days in school.

The arrival of real live French speaking students brings the language alive and students can test out their knowledge of French in a safe environment. This intercultural sharing is so important for both the New Caledonians and for the Heights students, to compare and contrast their lifestyles.

The New Caledonians enjoyed making pikelets in the Food department with Mrs Shaw and also sharing their dances with our students in Dance (thank you to Mrs Tahana-Prangnell)

The usual visits to the Cafe de Paris have taken place with students using class time to visit the French cafe and order their food and drink in French. We have also been very busy fundraising this year for our Europe trip in 2020. Next year's Yearbook entry will be epic.

### Chinese

#### China Sister-School Exchange - 6-21 April

Destination : Middle School Attached to Nanchang University  
China Jiangsu Nanchang

Delegation: WHHS Year 11 students Amelia Markham-Lumsden  
and Emma Johnston and Tokoroa Forest View High  
School Volcanics VC student Faith Healey

Once again our students were warmly received by MSANU (now renamed HSANU) at the airport by the International Department and homestay families. The girls made their formal speeches to the Principal Chen and Management team and presented their gifts. We were also formally welcomed by Honggutan Primary affiliated school where we engaged with enthusiastic students wanting to speak with foreigners! Our students felt like "movie stars"!

The 8 day intensive schooling and engagement with students and families went all too quickly. Our students made a positive impression on all! They have experienced true warm hospitality and learnt much about living with Chinese families, going to school from 7am – 7pm, learning travelling around Nanchang a city of 2 halves: old and new of 6 million and coming home with deeper appreciation of cultural values of two countries.

Right: Emma, Amelia, Faith speaking at HSANU – promoting NZ

#### Hosting China Sister-school HSANU - July 2019

Vice Principal Fang, 2 teachers and 8 students attended school with their buddies and enjoyed engaging with our Year 9 -13 students and were impressed with Rotorua tourist sites and clean green environment.

Friendships continue to be strengthened through this meaningful people to people relationship between Western Height High and High School Attached to Nanchang University

#### Wellington Chinese Bridge Regional Speech Competition - May 2019

Pictured right, WHHS representatives James Porteous and Mele Veatupu together with WHHS Confucius Classroom sponsored representatives Whakatane High Jack Tamblyn and Forest View High Faith Healey as part of its outreach programme.

#### Confucius Classroom at Western Heights High School Project

The day was a joyous celebration of students' learning of Chinese. Excited students from Years 5 to 13 and native speakers presented their well-rehearsed speeches to a proud crowd of family, friends, principals and staff.

21 Schools participated: (over 180 students)  
A record of participants in the Junior section.

# TECHNOLOGY

## Hangarau

### Food and Fabric

During their course, Year 9 Food Technology students studied a unit on “Steaming Food”. After preparing and steaming dumplings in bamboo steamers in the classroom, the students then prepared lunch including steamed pudding which was taken to steam boxes in Ohinemutu. A big thank you to our Food Technician, Sonja Beazley who organised all this and put them in the steam box early in the morning so the food would be ready by lunchtime.

Technology provides opportunities for our students to be creative and innovative, expressing their ideas through design and construction methods. 2019 has seen a hive of activity in the Fabric Technology department. During August our senior students had the opportunity to enter the Pin'd Showcase in Tauranga where they competed against other schools in the Bay of Plenty. They worked tirelessly to create mock-ups and final prototypes for various categories in the competition. Our junior students have been working on developing their skills and have created sleepwear projects and ecobags.

# TECHNOLOGY Hangarau

## Hard Materials

It has been another great year in the Materials Technology department with increased numbers across all year levels. The students have enjoyed making a variety of projects this year and the quality has been of a high standard.

Achievement in the Building construction and Engineering certificates continues and several students have been successful in gaining full time work.

The flow on from the level one and two Technology Achievement standards has proved very successful. The course has challenged staff and students to produce some high quality projects.

The facility has created an excellent environment for student learning and continues to be a draw card.

Thanks to Mr Palmer, Mr Cass and Mr Isaacs for their efforts this past year.

Mr Bulkeley  
Middle Leader

## Tourism

### Zombieland - Paintball

Level Two Tourism students were able to experience Tourism by taking part in Zombieland (Paintball). A small group of 23 students were able to connect their classroom learning by understanding Adventure Tourism (adrenalin based activities) and Eco-Tourism; taking notice of the impact tourism can have on the environment. Thank you to Shane Gilbert for supporting our activity to your Zombieland attraction. Thank you also to Matua Dane for being brave and helping with supervision and to Matua Clint for helping out with transportation.

# SOCIAL SCIENCES

## Pūtaiao Pāpori

### History

One of the most popular topics studied in History is The Civil Rights Movement in the USA.

This year our Year 11 History students had the privilege of traveling to Hamilton to hear Elizabeth Eckford describe her experiences as a 13 year old school girl attending the first integrated school in Little Rock Arkansas. Elizabeth was one of nine African American students in a school of over 3000 white students and she was one of the group of nine African American teenagers dubbed the "Little Rock Nine". Elizabeth described how she was subjected to daily verbal and physical abuse from white racist students and their parents, which has left her with Post Traumatic Stress Disorder. As a participant in the integration of Little Rock Central High School in 1957 her courage to seize the opportunity for a non-segregated education made history. In 1958 Governor Faubus closed all High Schools in Little Rock for the entire year to prevent African American children attending integrated schools, his actions meant that Elizabeth was unable to complete her schooling and was therefore unable to graduate. Our students made the following comments about what had resonated with them

*"I was surprised that so many people at Little Rock Central High didn't do anything about the racial bullying. Something that impressed me was that only one of the 'Little Rock Nine' retaliated against the bullying. It was shocking that the experience hurt Elizabeth so much that she got post traumatic stress disorder and for ages couldn't talk about her experience."* - Isabel

*"I was shocked to know that what had happened around 60 years ago, is still impacting on her life today - psychologically. It had such a deep impact on her, I realised how far and how bad the verbal and physical abuse actually went."* - Paige

*"I thought that Elizabeth Eckford's speech was shocking, hearing what she experienced, as well as the rest of the black kids that were apart of the 'Little Rock 9'. Hearing how she was racially targeted and verbally assaulted and also what she did to survive and keep her education shocked me."* - Caitlyn

*"I learnt that Elizabeth Eckford had met the lady shouting at her in one of the two photos and she said we had a lot in common."* - Noah

*"What I learnt was that people were so racist that they cancelled or closed all the schools just to get their way and what resonated with me was her ideal to resolve things by protesting peacefully and not use violence."* - Autumn

WHHS Year 11 History Students and their teachers photographed with Elizabeth Eckford.  
Note that due to Post Traumatic Stress Disorder Elizabeth Eckford is seated above the students.

### Junior Social Studies

2019 was an exciting year in the junior Social Studies curriculum. New programmes such as My Mahi and Sorted were introduced to help with pathways development and financial literacy. A cross-curricular scheme was trialled between English, Mathematics, Science and Social Studies in order to contextualise learning for students. This involved a field trip to Skyline Skyrides and the use of the knowledge acquired to create plans for local tourist attractions.

In other classes, students participated in social actions, particularly the Amnesty International Freedom Challenge, and carried out valuable learning around Human Rights, the Treaty of Waitangi and local history.

A disappointment this year was that Guta Goldstein, a Holocaust survivor who was doing a tour of schools, fell ill and was unable to speak to our students. Hopefully we will be able to hear from a different speaker in the near future.

In a fast changing and often confusing world, Social Studies continues to try to help students make sense of what is happening around them.

### Senior Social Studies

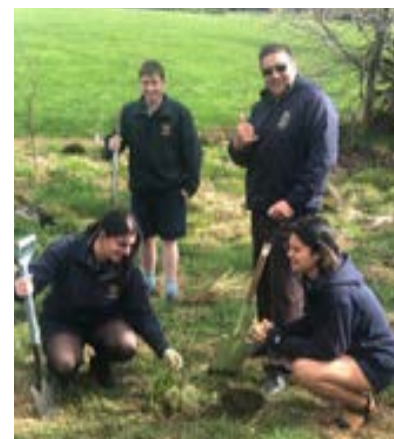

#### Senior Social Studies Social Action

As part of our responsibility in a democratic society we should always be involved and question what is happening within our community. As part of Senior Social Studies students are required to be involved whether, it is questioning our government, protecting the environment standing up for injustice this is an important part of our democratic society.

This year students Year 12 students were involved in issues dealing with Human Rights, homelessness and immigration. One of the social actions that the year 12 students were active with was the Love Soup campaign which provides food and resources to the homeless and families in need.

As part of their involvement students organised a number of fundraising activities from bake sales to raffles they raised \$350.00. The class also spent time with Love Soup helping to distribute food from one of their distribution points.

Another social action the Year 12's were involved with is the Ngongotaha stream restoration where they spent the afternoon with the Ngongotaha community planting trees.

# SOCIAL SCIENCES

## Pūtaiao Pāpori

### Geography

2019 was another varied and successful year for the Western Heights Geography Department. A few changes this year saw a renewed focus on local curriculum and issues.

At level 3, the class studied natural and cultural processes within the Rotorua Caldera. Examining fluvial processes in the Ngongotaha stream and looking at tourism and event management with a field trip to the Crankworx Mountain Bike festival. The level 2 class enjoyed a trip to Tongariro National Park, culminating in the Tongariro Alpine Crossing.

Level one geography had two successful classes this year, and was a great success. We had our year 10's in one and our year 11's in the other. We had our annual trip to skyline where the students gathered information for one of their internal assessments 'Sustainable tourism in Rotorua'. The students were offered four internal assessments, and 2 external exams. The students showed great ability this year, with encouraging results. They will benefit from this year to allow them to have great success for next year. We hope most of the students take up level 2 Geography. We hope they achieve the results that they set out to achieve in their exam. Thank you to Mr Robson, Mr Clarke and Mr Lynch on another successful year.

### Staff Changes

At the beginning of this year we welcomed Mr Christopher Worsnop to the Mathematics Department, and welcomed back Mrs Clare Slater.

We also thank Mr Simon Bragger who taught Mathematics in Term 2.

### 2018 Cambridge International Examination Results

Year 11:

In Year 11, Jeremy Walshe was awarded an A in IGSCE Mathematics.

Year 13:

In Year 13, Juyong Shin was awarded an A and Chris Xu was awarded a B, in the final A-Level Mathematics examinations.

### 2018 NCEA Examination Results

The NCEA results were very pleasing in the Mathematics Department. Congratulations to Jack Apperley for gaining Scholarship Mathematics with Statistics; Jason Lee for gaining an Outstanding Scholarship in Mathematics with Statistics and Jason Lee also gained a Calculus Scholarship Award. These two students are to be congratulated for their exceptional commitment and effort towards their Mathematics studies.

### Mathematics Competition Winners

Congratulations to the Year 9 and 10 WHHS Mathmind competitors. The competition was held in the Hall, with our Year 13 Mathematics with Statistics students, who were the markers during the event. Thank you to Mr Vermeulen for organizing and running the event. Thank you to Mr Vermeulen and Mr Breetvelt who took the winners and runners-up to the BOP Mathmind in Whakatane.

# HEIGHTS INTERNATIONAL

## Manuhiri Tūārangi

This year we have welcomed many international students and our students have made wonderful friendships with people from all over the world. Some have spent up to 3 years studying for university entry while others have been improving their English, enjoying a different way of life and experiencing the many activities that Western Heights and Rotorua has to offer.

We have had students from Japan, Hong Kong, Germany, Chile, Brazil, USA and Switzerland.

Our Sister school Beppu Shosei from Japan visited us once again this year which was a real highlight as always! We also enjoyed short term group visits from our friends Otomon and Sagami High School.

This year also marked some significant changes to the international department at Western Heights. Sadly the students and staff farewelled Mrs Patti Sutton who has been a stalwart of the school for many years and since 2015 has created and developed the programme to what it has become today. During this time she has offered her unwavering support to the students pastoral, academic, sporting, cultural and personal success. She will be missed very much by students and staff alike. However, we know your friends, family and grandchildren will enjoy having you all to themselves. We wish you all the best on your retirement.

This marked the appointment of Sam Dunn as Director of International Students and Kris Haines as Homestay Coordinator. All the staff involved with international are working to fill Patti's shoes and to continue to develop the international programme at Western Heights. Watch this space!

### Messages from International Students

*"I made heaps of friends who made my life in NZ way better, Love my whanau!"*

*"I had a good time, thanks for the great experience"*

*"Thanks for the experience in NZ. I will never forget that time and it will always stick with me"*

*"My 3 years couldn't be better"*

*"My friends be kind to me"*

*"Every single day was awesome!"*

*"It is just amazing - finding new friends from all over the world, enjoying the time at school and also at my lovely host family. I've learned so much and can say that I am a real Kiwi now!"*

*"It is a whole lot different, but a very nice experience to be in another country, having a new family and going to another school, I'm enjoying it!"*

*"A very nice and lovely experience, I have met lots of people and met lots of people and made friends"*

*"Definitely an unforgettable experience with good friends"*

*"I met so many nice people, it's so sad that I have to leave them!"*

*"The best thing about my time at WHHS was my homestay family, I now have a second family on the other side of the world"*

*"The orientation programme at WHHS was so helpful, I didn't have any problems"*

*"I really enjoyed my time here! The country is so different from home and I have learned so many cool things that I am gonna remember my whole life"*

*"I now have family from eight different countries, I love you guys!"*

*"My experience here has been great, my host family is lovely and funny. Also, school is awesome and I love to go to the Redwoods".*

*"WHHS made me feel like I was part of their family. The international staff did everything to make me feel at home here, I always felt so welcome."*

*"I really like how you guys help us to find the right subjects and support us in school. I really enjoyed the South Island trip".*

*"The school activities are awesome!"*

*"Make the most of all the opportunities you get! Your time goes so fast!"*

*"Thank you for the amazing memories, I will never forget it!"*

## MUSIC Toi Pūoro

2019 has been a very exciting year for music at Western Heights High School. We have seen many successful events such as, Rhapsody Rotorua, Heights Creative, Manawatu Jazz festival, Chamber Music Competition and Smoke Free Rock Quest. Many of our students have done very well at these events. As a department we have enjoyed an upgrade to our performance room with a completed stage and fantastic mural painted by Emily Wharekura.

### Jazz Band

I have been a member of the Jazz band for 4 years now and during that time I have made some of my most valuable memories. Performing my first solo in front of a crowd, competing at the Manawatu Jazz festival and also performing at the Thursday night market. Over the years I have seen our band grow and each member improve, some going on to gain very prestigious awards. Thanks to the efforts and persistence of the amazing teachers, Mr Adam Hague and Mr Paul Sanders we have been able to take out gold every year when we compete in the Rhapsody Rotorua festival which involves bands from all over New Zealand and Australia. The Western Heights Jazz Band gives opportunities for individuals to perform in gigs, which many members including myself were asked to do, and also to form smaller bands. Last year a smaller jazz fusion band was formed called Anything Down, involving some of the seniors in the band. The Jazz band is a very welcoming environment where novice and professional players can develop and express their musical talents, it becomes more than just a band and more like a family.

Kaylee Dredge

# MUSIC

## Toi Pūoro

### Choir

I have been involved with the school choir for 5 years and have had the opportunity to see it grow and achieve so many things. This year our two choirs competed in the Big Sing competition and it was an awesome experience to perform in front of a crowd and be able to feel proud of the improvements we made throughout the beginning of the year. We also performed at the Anzac Parade, Heights Creative and at various community group events. It has been really awesome to see a really strong bass and tenor vocal range with the growing number of boys joining the choir. The choir has been a really enjoyable experience where you get to meet so many different people with a similar interest and create a family like environment with so much support, none of this would have been possible without our outstanding pianist Kathryn Lauder or our amazing choir conductor Evelyn Falconer who moulds the choir into something we can all be proud of. Throughout my years of doing choir I have thoroughly enjoyed all the opportunities I have been able to be a part of and I wish you all the best for the years to come.

# DANCE

## Ngā Tini Kanikani

## DANCE

### Ngā Tini Kanikani

Another jam-packed year for the subject of Dance. Students came with me in the beginning of the year to watch the musical Madiba based on the life of Nelson Mandela, followed by a visit from Otis Herring to learn an African Dance for our Year 12/13 Dance students.

In February, students experienced their first site-specific dance performance at the Hamilton Gardens Arts Festival called 'Back of the Bus' where we drove around the city of Hamilton on a bus watching a wonderful dance/drama performance based on French culture.

We were visited once again by Greydis Liranza to teach Latin dance to my Year 11, 10dance and Spanish and Te Maru classes. She has always offered free class lessons to Western Heights High School as part of the Cuban Festival.

Excel Performing Arts students came to do a dance workshop with dance students focusing on commercial Hip Hop and isolations.

We have accomplished a lot this year. I have maintained the belief in the Tuakana/Teina model where Senior Dance students learn to teach junior classes, creating confidence and moulding junior dancers to become leaders within this subject.

# PASIFIKA

Thursday 23rd May 2019, once again the Pasifika Students' voices were heard throughout the Waiariki/Bay of Plenty, with our very own Pasifika Speech Competition. This year the competition was once again held at Harvest Church.

What a colourful day it was, with Pasifika Students' from around the Waiariki/Bay of Plenty coming together to not only be proud of where they come from, but to have a platform to be able to deliver their speech in either English or in their own Pasifika language.

This year WHHS had entered 8 speakers, 4 who chose to speak in their mother tongue and the other 4 chose to speak in the English section,

This year the students were once again given the opportunity to select a topic that they felt was close to home..

Of the 8 students who entered, the Pasifika students of WHHS came away with 6 placings, and once again the highest overall of all the schools that entered the competition.

1st Place Senior English: Rahera Walters - "I am more than what you see"

3rd Place Senior English: Tamahou Smith- "I am more than what you see"

1st Place Senior Niuean: Sailah-Jayee Morris-Viti - "Toka mata ha mautolu a tau tupuna mai fakamua, ai maeke ke galo" (Living through the eyes of our ancestors)

1st Place Junior Tokelauan: Alo Vulu-Lafu" Ko ai Au?" (Who am I?)

2nd Place Senior Tokelauan: Mele Kauwale "Kote olaga nei i na mata o oku tupuna" (Living through the eyes of our ancestors)

1st Place Junior Kiribati: Connie Clark "Global Warming"

The students continue to not only make me very proud for taking up the challenge, but for taking pride in who they are and who they represent. It's been an amazing journey with the Pasifika students of WHHS and look forward to watching the students succeed in many more opportunities that'll be coming their way..

Momoli atu le Faafetai Lava i tamaiti pasifika, mo le lagolagoina lenei fa'amoemoe. I wouldn't have been able to get through this day without the help and continuous support from Mrs White.

Ia manuia  
Miss Setu-Galo

# PASIFIKA

This year has been productive for Heights Pasifika. We were very lucky to have colourful Hawaiian skirts made by Tiffany Orlob Murfitt, a parent at Western Heights High School. The students wanted to give back to the community, performing for the Disco evening at the Kids.com Central Educare as a dress rehearsal, than performing the next day at the Rotorua Pasifika Day. We fundraised for the local Muslim community by selling our fabric flowers and Ei head pieces on the day.

We also committed ourselves to a Fundraiser night for a young girl, Jazz Vido who was raising funds to make it to Hollywood for the World Championships of Performing Arts 2019 representing New Zealand. She recently was awarded the World Champion Division winner and has won Gold and 4 silvers medals during the competition.

Heights Pasifika performed at the Youth One Chance Awards and was a nominee for Best Performance Group.

During term 2 into the beginning of term 3, Heights Pasifika students Nane Ivitu Fogavai-Kaye, Maletina Semi and Mele Kauwale taught the Kaimanga Reo class of Kawaha Point the Samoan Sasa, Cook Island Drum dance and Hawaiian for their production of the story the migration of the Te Arawa Waka.

We are still finding our way as a group and will continue to build and grow Heights Pasifika for next year. Thank you to the Acting Principal, Teaching staff, Tiffany Orlob Murfitt and the community for all your support.

Heights Pasifika: Nane Ivitu Fogavai-Kaye, Mele Kauwale, Maletina Semi, Sailah-Jayee Morris-Viti, Mele Veatupu, Kobee Lacy-Rameka, Lauryn Nicholls, Genvieve Davis-Leo, Awhina Rihari-Davis, Naomi Iraia, Aimee Te Paa, Ebony O'Brien, Rihan Stewart-Reid, D'Velle Tarawa, Arawhetu Waipoua-Bryers, Alexandra Tutbury, Kiana Millar, Pelo Sio, Connie Clark, Sese Beniamin, Patience Hiki, Hannah Stanley, Cody Kerekere, Riri Fukushima, Horianana Ripia, Tayla Aitu, Hazel Whibley, Jimmie Setu-Galo,

## DANCE NZ MADE

Western Heights High School Junior Hip Hop team “Intensified” and Senior Contemporary duo “Connect” reigned supreme as they took top honours at the 2019 DanceNZmade competition.

Presented by Dean McKerras, DanceNZmade celebrates and embraces strength, diversity and the passion of dance in New Zealand. The annual competition was held on Saturday night at the Regent Broadway, Palmerston North in front of a sell-out crowd.

After qualifying in the regional competition in Rotorua earlier this year, Intensified, seven Year 9/10 students began extensive rehearsals under the direction of Year 11 Dance student and Choreographer Shawney McGill.

Shawney says, “The Western Heights High School Junior Team are passionate and dedicated to dance, we are lucky to have our very own dance studio on campus and a lot of senior dancers to aspire to. I am so proud of each and every one of my students and I can’t wait to see what next year brings”.

Entering into the Duo/Trio National Competition for the first time, Year 13 Dance student Cait Robinson and Year 12 Dance student Isabella Buhian were shocked when they were announced as the Year 11/13 Senior duo/trio National Champions.

Cait says, “At first I thought they were talking about someone else until I realised that it was Isabella and I, then I just couldn’t believe it! We won.”

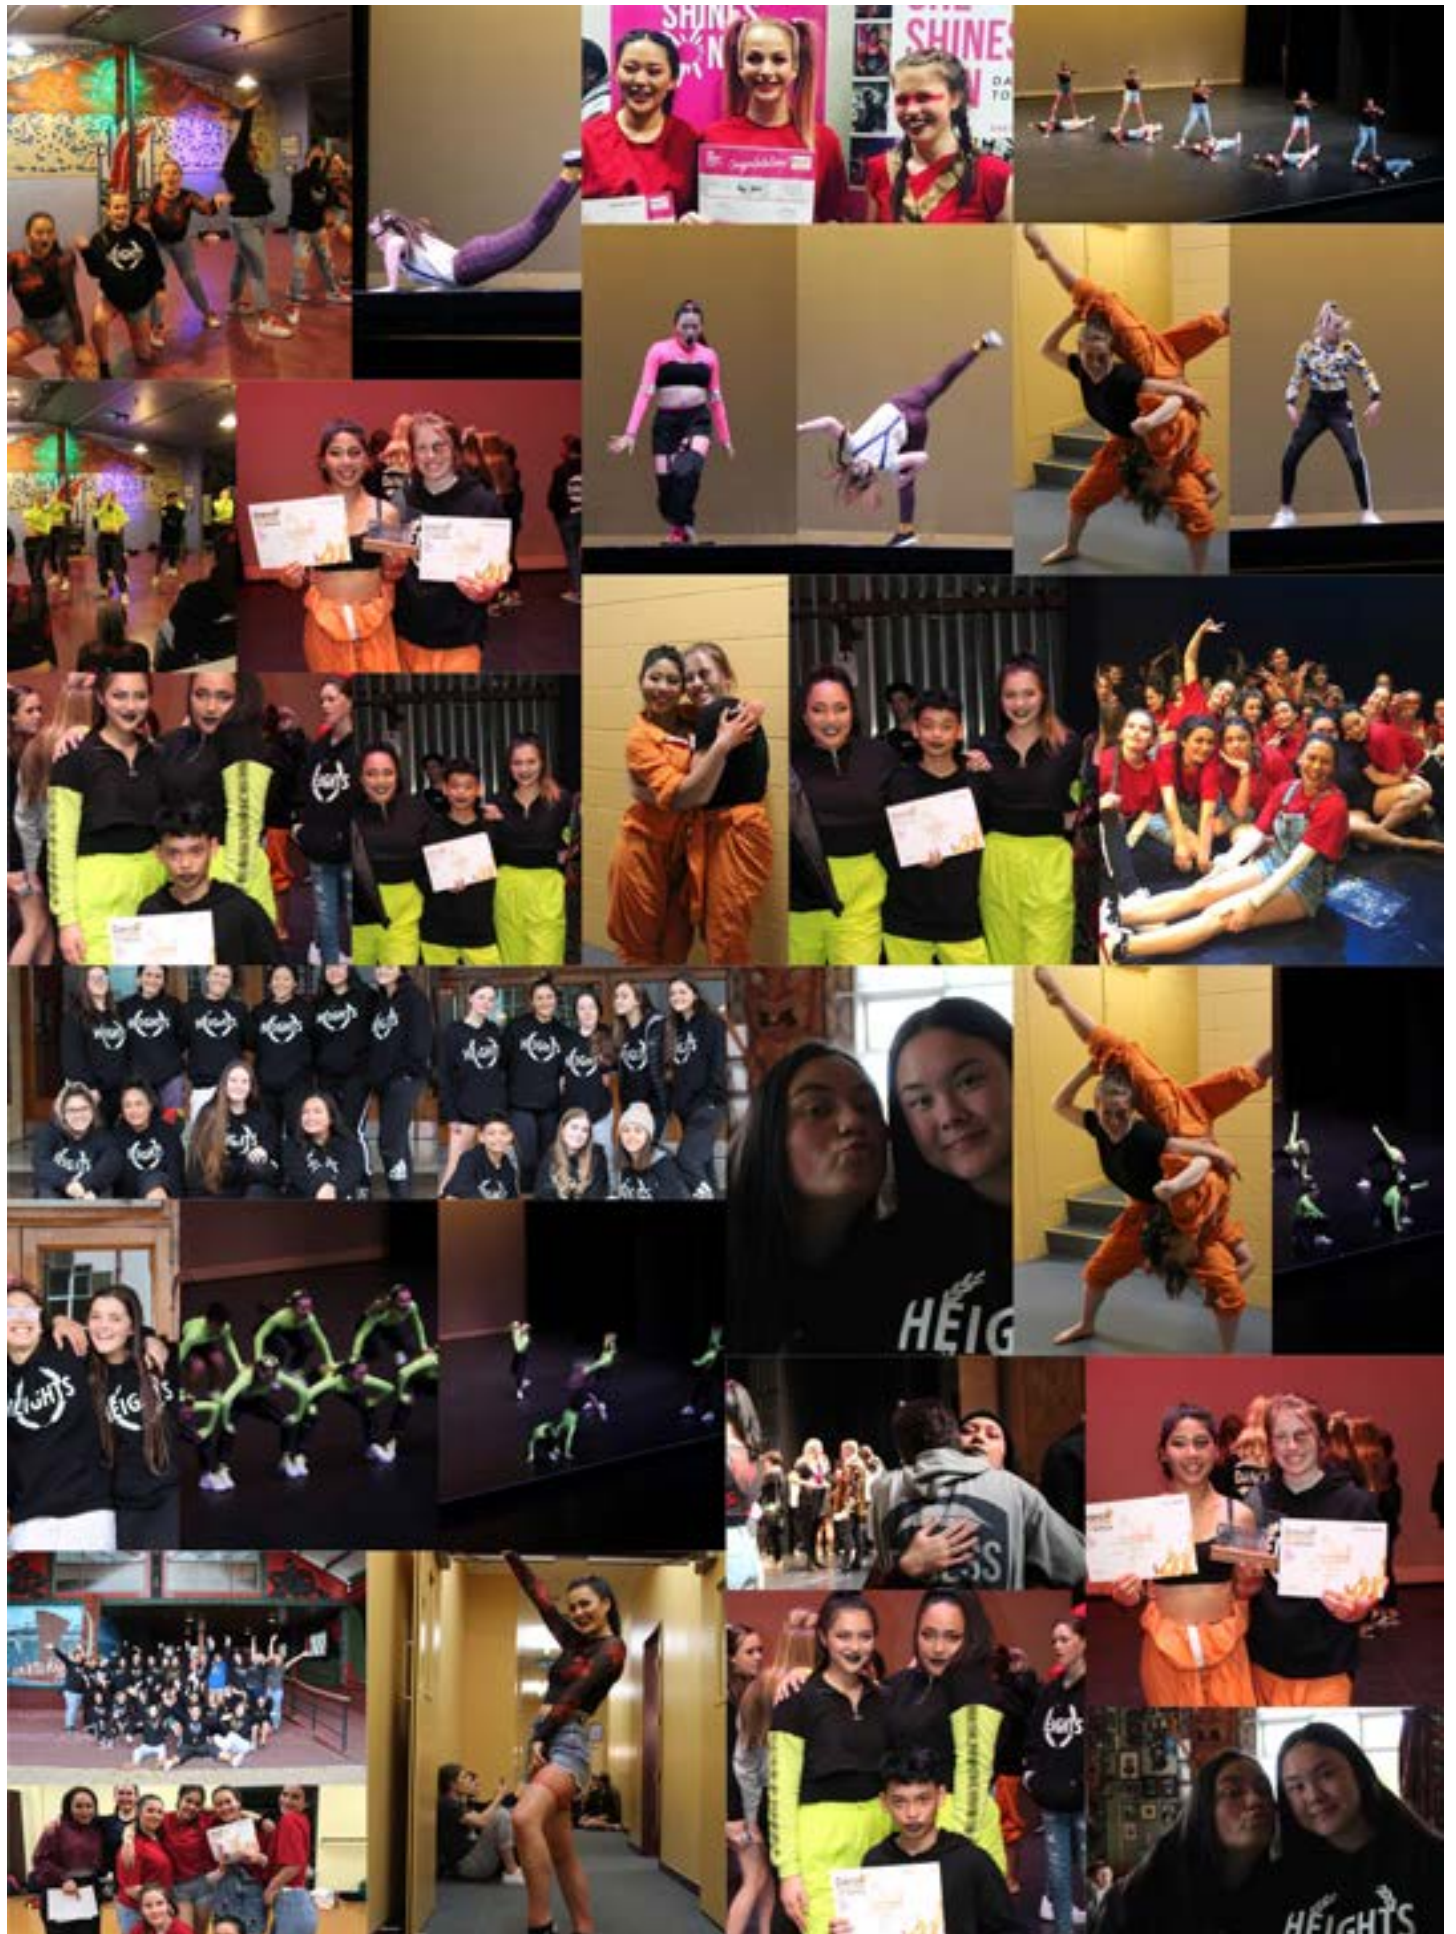

The Dance Teacher of Western Heights High School, Te Ao Tahana-Prangnell, says the calibre of dance this year was very high, “This weekend has been very successful for my students, coming away with two national titles as well as runner up placings. This is the first year we have won a Junior category and Duo/Trio category. I am very proud of them and all the hard work they put into this competition”.

Cait Robinson also received overall second runner up and top regional winner in the Solo category.

Dance students Akasha Kelly, Pania Paul and Sam Patangan of Trio also received second runner up in the Duo/Trio Open category.

## SHEILAH WINN SHAKESPEARE FESTIVAL

Every year the nationwide University of Otago Sheilah Winn Shakespeare Festival competition. Budding performers from all over the country work hard to create Elizabethan magic with Shakespeare's wonderful language. There is an opportunity to compete at national level in Wellington and to win a trip to The Globe in London.

Three teams from WHHS entered the festival competition this year with excerpts from 'Much Ado About Nothing', 'Romeo and Juliet' and 'The Tempest'. Students worked long and hard over a number of weeks to perfect their performance. We had success with Nariah Ward winning the Best Under 16 Performer, Denva Graves winning Most Promising Performer and our 'Tempest' performers winning Best Understanding of Shakespeare's text.

Students involved were:

Tamahou Smith	Denva Graves
Kesia Shoebridge	Jessica Dudson
Maia Harrison	Jago Watson
Sarn Kaur	Chloe Marshall
Ashton Kusabs	Stephanie Davy
Brittany Checkley	Megan Gulliford
Kaea Perfect	Taylor Takiwa.

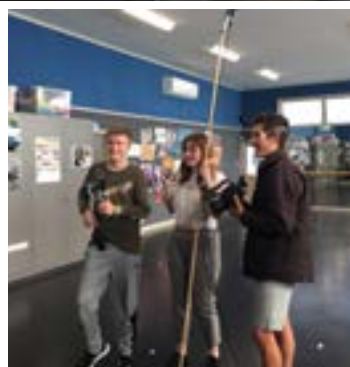

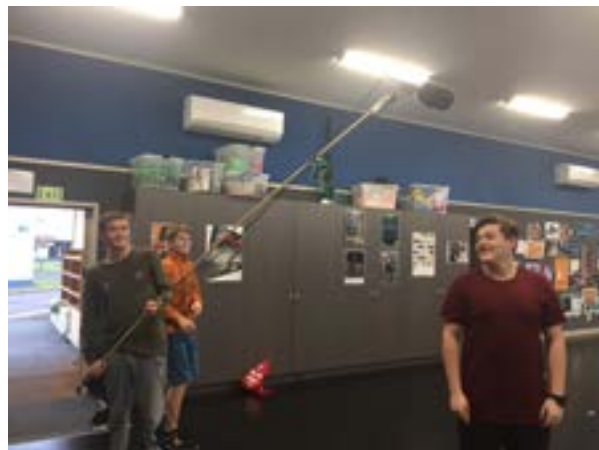

## 48 HOUR FILM FESTIVAL

A small group of students led by Sean Johnston decided to try the 48 Hour Film Festival. This competition consists of having 48 hours to write, shoot and edit a final piece to upload before the cut off time, then to be judged and then showcased regionally. It was a huge learning curve on how to work under pressure as a team and what we can do better for next year. We felt a huge accomplishment of the end piece called 'Laughing Stock'.

A big thanks to

- Leon Sharplin and Amy Brunt for the amazing job they did on the music - you guys are awesome!
- Denva Graves and Tamahou Smith for all the amazing efforts throughout the weekend
- Liam Walker for the excellent editing!
- Mrs Prangnell, Mrs Hemana, Mrs Rophia, Miss Irwin and Mr Gear for coming into school and allowing us to be able to complete this project!
- Our amazing acting team Alyssa Smith, Tumamao George, Berrie Kruger, Chloe Marshall and all the extras for the great last minute planning and acting - you guys are awesome
- Our camera/tech team, Amelia Markham-Lumsden, Matthew Wallbridge, Braedyn Veysi, Jayden Tamariki) who did a great job keeping up with the pace and ensuring everything was in place for the editors.
- Our support team, Anja Sakrzewski, Emma Johnston, Brittany Checkly who helped out with general jobs and kept our team flowing.

Thank you to the Acting Principal, Teaching staff, Mrs Wright and the community for all your support.

## DUKE OF EDINBURGH

The Duke of Edinburgh is an International award where students are recognised for their participation, perseverance and commitment in the following areas, learning a new skill, physical activity, community service and adventure in the outdoors. The Award is available at Bronze, Silver and Gold level. This year we went on a Bronze overnight Tramp to Hot Water Beach on Lake Tarawera.

## PEER SUPPORT

### End of Year Peer Support Leadership – Lake Okareka

Students gained leadership skills by participating in team building activities to prepare them for leadership responsibilities with our Year 9 students starting this year.

All students showed integrity, contribution, organisation, excellent communications skills, and support for each other and fun. Thank you to Te Waiariki Pūrea Trust, to Emma Cooper and Nicky and Curtis Hemana for supporting students and being our chefs on the Barbeque, providing our nourishment for the day.

## ROAD SAFETY YOUTH EXPO

The Rotorua Road Safety Youth Expo is a free programme for Year 11 students that aim to 'change attitudes and improve choices' our young people are making in relation to driving, peer pressures, and alcohol/drugs.

# GATEWAY

The Gateway programme is designed for students who display a clear direction toward a specific career path. Students gain work experience, workplace training, and unit standard achievements which are related to industry.

A requirement is for each student to gain an additional 20 NCEA credits to their timetabled subjects. When ever possible, unit standards will be designed around each individual student and their specific place of work, and will also contribute towards their NCEA achievements.

2019 has seen the Gateway programme prove popular with senior students. The traditional areas of engineering, teaching, electrical, plumbing, hospitality, and animal care have once again proven the most sought-after placements.

Once more this year WHHS has been part of the Red Shirts in Schools and SEEDS Gateway programmes run by the Warehouse and Countdown respectively. For ten weeks students attend one of the programmes, gaining over twenty level 2 credits upon successful completion. A number of WHHS students have gained part-time work at Warehouse and Countdown as a direct result of completing the Gateway programme.

Swimming NZ has again provided the opportunity to gain the Level 3 National Certificate in Recreation and Sports (Aquatics), gaining 42 level 3 credits while doing so.

At Western Heights High School we have developed excellent relationships with employers and as a result have been able to place students in a broad range of areas, including: education, aviation, engineering, hairdressing, construction, diesel engineering, electrical supply, animal care, retail, hospitality, plumbing, early childhood education, landscaping, joinery, welding, and radiography.

## A big thank you to all the local businesses that have supported us so enthusiastically throughout 2019:

Kawaha Point School; Patchell Industries; TRV Builders; Gough Cat; Leishman Electrical; SPCA; Third Place Café; BoP Plumbing & Gas; Tristan Hall Electrical; BestStart Pukuatua; Goodrick Landscapes; Lee Brothers Joinery; Precision Gears; Ross Gardiner Plumbing; Hillcrest Electronic Servicing; Absolute Access; Hale Electrical; Mamaku Garage; BestStart Fairy Springs; Lakes District Health Board

## INTERACT

The Western Heights High School's Interact Club has focused on two main events this year. We supported Pink Shirt Day by spreading awareness about bullying and raising money for the Mental Health Foundation. We also focused on preparing and hosting our Fred Hollows quiz, which was a great success. A big thank you to all the club members who helped our fundraising efforts. The picture is of our club members who helped with our money collection at Pink Shirt Day. Our leadership team this year was as follows Sean Johnston and Tamahou Smith (Presidents), Anja Sakrzewski (Treasurer), Keeley Carr (Secretary).

# BADMINTON

## Pūkura

Badminton at Heights continues to grow. We have had around thirty five players training regularly at the Rotorua Badminton Hall on Tuesdays during Terms 2 and 3 and a similar number playing socially on Fridays. Two of our players, Wena and Piri Ammunson-Fuller, represented the Bay of Plenty at regional level.

As usual, the first competitions were the Central BOP Qualifiers, held at the Rotorua Badminton Hall in Term 2. We had a record number of players competing in these tournaments this year; five junior teams and seven senior teams – forty eight players in all! Five of those teams qualified for the BOP Finals. Our best result was the Senior Boys 'Gold' team (Mathis Turgeon-Roy, Jamie Shepherd, Jonathan Pilaar and Ashton McGarvie) who won all of their games in Tauranga in Term 3 to take home gold medals from Division Two.

At the end of the season, our club had its annual Singles and Doubles Championships. The champions for 2019 are:

### Singles

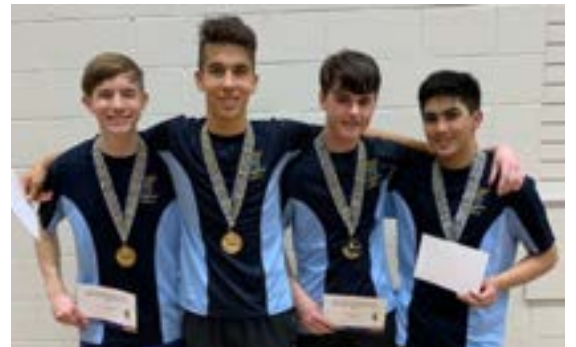

Junior Girls	Amber Patterson
Junior Boys	Piri Ammunson-Fuller
Senior Girls	Grace Marchant
Senior Boys	Mathis Turgeon-Roy

### Doubles

Junior Boys	Piri Ammunson-Fuller and Daigoh Kuroda
Senior Boys	Mathis Turgeon-Roy and Valentin Goj

Junior Girls CBOP 2019

Senior Boys BOP Finals 2019

*Junior and Senior Girls - not contested*

Many thanks go to Mr Murtagh and Mrs Asby for supervising social badminton every Friday, to Mr Donne for restringing our racquets and to our wonderful Sports Co-ordinator, Mrs Kaye-Ivitu, for all of her support. Lastly, well done to all of the players for their effort in training and in matches and for consistently representing Western Heights High School with honour. I look forward to 2020!

Nga mihi.  
Mr G Slater - TIC Badminton

## GIRLS FOOTBALL Poiwhana Tamawāhine

The Western Height High School Girl's Football team had a great season with a significant number of new players on the team. It was excellent to see some players picking up the sport for the first time and those more experienced stepping up to teach and help them.

In the local Wednesday night league, we had mixed results with wins against both of Rotorua Lakes High School teams, Tokoroa, and Taurhara #2. Unfortunately, games were lost to John Paul College, Taurhara #1, and Taupo-nui-a-tia College.

As a way to wrap up the season this year, a locals 'Tournament Day' was hosted for the first time by Tokoroa High School. This was a day with five shorter games played. The girls thoroughly enjoyed the day and ended up two wins, two losses, a draw and very tired legs! A special mention must go to Emma McDougall and Alyssa Carnell who have been assets to the team for the last five years and have been incredible leaders on and off the field this year. As well as these girls, we are also farewelling Zara Lambert Mills and Grace Kiff. Thank you all for your energy and efforts over the past five years, we will miss you!

Also, a special thank you to Rob Frame and Andrew Gibbs who all helped at varying stages of the season. We would not be able to do this without you, so thank you.

Finally, Alyssa Carnell was announced as the Waibop Football Federation Women's Bay 1 player for the year. Congratulations!

Mrs A Perry

## BOYS FOOTBALL

### Poiwhana Tamatāne

Junior Boys Team

This year was another great season for Western Heights High School Football teams. We had two teams in the local competition consisting of both competitive and social players keen to get out there and give football a go. This season was all about rebuilding our teams and was for players to progress to higher skill levels and enhance their football game sense. As well as players stepping up and taking leadership roles within the teams.

The Senior team finished 2nd overall in the local competition which consisted of a couple of Junior players and some players playing football for the first time. They had some good games and progressed well throughout the season. The Junior team consisted of a few key players and some players new to the game. They were the only Junior team playing in the local competition and had some good results. The Junior team finished 7th in the local competition as most of their games were against first XI teams which was a massive achievement. After round one we selected the 1st XI football team to represent Western Heights High School at the National Winter Tournament which was made up of Years 13s down to Year 9s.

The football family at Heights would like to say a huge thank you to Mary Hamill, Wendy Hague, Adam Hague and Nathan Lynch for managing, helping out and being amazing support throughout the season. Also we would like to thank Mark Enright for his time and support at the start of year and Dayne Willemsen for their outstanding contribution throughout the year with coaching and his overall enthusiasm towards Western Heights Football. Lastly, Heights Football would like to say a massive thank you for the support and encouragement from the supporters and family members who came along each week throughout the year, it is greatly appreciated.

## 1st XI

Western Heights 1st XI Football Team competed at the NZSS Rex Dawkins Satellite Football Tournament at Crown Park, Taupo from 2nd to 6th September, 2019. There were 24 teams competing and the competition was very fierce but exciting to watch. Despite the losses the boys enjoyed the experience and opportunity to showcase their football skills on the field.

Highlights were games against Matamata and Glenfield, where everyone started playing with heart and prevented the teams from scoring therefore a penalty shootout was awarded with Glenfield and Matamata winning. They battled hard all week and fatigue and injuries were major factors.

## BOYS FOOTBALL Poiwhana Tamatāne

Most Valuable Player of the tournament was Hiroki Kondo (pictured right), and other standout players were Thomas Sparrow (captain), Ciaran Gower, Samuel Gifford, Jamie Hall, James Macdonald, Cam Ingram, Trinity Andrews, Charlie Apperley. A huge thank you to Dayne Willemsem who came in last minute as Coach, Dayne showed lots of enthusiasm and support. Massive thanks to Dagmar Sparrow who was our amazing Chef (the food was divine) and Mary Hamill for her awesome support. Lastly thanks to the parents for your support and we farewell Year 13 boys Hiroki Kondo and Cam Ingram and wish them all the best for the future.

### Results:

Glendowie	0-2	Rongotai	0-5
St Bedes	1-5	Thames	2-7
Matamata	2-4 (penalty shoot out)	Glenfield	2-4 (penalty shoot out)

Hiroki Kondo - Tournament MVP

A very special thanks to Lion Foundation for funding our team's accommodation.

## HILLARY OUTDOOR EDUCATION JUNIOR LEADERSHIP CAMP

In October 2019 twenty junior leadership students went to the Hillary Outdoor Education Centre in Tongariro for 5 nights. The students were abseiling, rock climbing, tramping, cooking, cleaning, making shelters, tying knots and carabinas and learning how to survive and lead others in the outdoors.

**Group 1:** Sophie May, Gemma Brunt, Zach Dunkley, Xander Hague, Tyra Harrison, Byron Holdem, Naria Meredith, Calais Ratahi, Tegan Sutton, Jayden Tamariki.

**Group 2:** Stormy Comer, Izon Epiha, Caprice Green, Koby Grimes, Jamie Hall, Maia Harrison, Alexa Harvey-Macrae, Wairua Jackson-Williams, Leo Penn, Leah Whare.

## BOYS VOLLEYBALL Poirewa Tamatāne

The Volleyball season started in February this year with the New Zealand Beach Volleyball Championships that were held at Mount Maunganui. Our Senior Boys Team consisted of Cole Gillespie and Joshua Tiplady. The team made it through pool play with some comfortable wins. In the quarter-final we won 2-0. This set up a semi-final against Spotswood College but unfortunately, we lost in a tight one 1-2, Spotswood went on to win the final. This meant we were in the 3rd and 4th playoff match against Tauranga Boys College. We won this game convincingly 2-0 and received bronze medals. Cole Gillespie was named in the under 19 New Zealand Beach Training Squad.

The season then moved indoors with the Western Heights High School Senior Boys Volleyball team travelling to Tauranga to contest the Bay of Plenty Championships. The team played through the first two rounds of pool play with mixed results but did enough to secure a semi-final spot against Otumoetai College. The team were untroubled winning 3-0. In the final we would meet unbeaten Trident High School. In a very close game our boys were able to build pressure at the right times and went on to win 3-2. The team received Gold medals and the Phil George Trophy.

The team headed to Palmerston North as defending champions to contest the 51st New Zealand Secondary School Volleyball Championships. After winning the Bay of Plenty Volleyball Championship in a tight final against Trident High School, the boys were looking forward to a big week at Nationals. There were 174 teams in action and the tournament was played over 5 days.

# BOYS VOLLEYBALL

## Poirewa Tamatāne

In Pool play, Western Heights came up against Taita College (won 3-0), Tauranga Boys College B (won 3-0) and Spotswood College (won 3-1). This meant the team progressed into the crossover section of the tournament to play against other unbeaten sides. In cross overs, the team played Hillcrest College (won 3-1), Manurewa College (won 3-0) and Tauranga Boys College (won 3-1). This put the team through to the quarter finals where they would meet Rangitoto College who our boys played and beat in the Grand-final the previous year. Our boys played well structured volleyball and came away with a 3-0 win. De La Salle would be our opponents in the semi-final, the Auckland Champions. In an extremely tense game we came away with a 3-2 win. We would meet Tauranga Boys College who had progressed through on the other side of the draw in the final. The boys played very well but lacked the energy of the previous day's play. In a tight one the boys went down 1-3 and received silver medals. Two players made the tournament team, Joshua Tiplady and Kiwa Johnstone.

We would like to thank our coaches Paora Morrison and David Apete for their efforts and time they have put into the team.

### Team:

Hemaia Tauroa-Apete (captain), Kiwa Johnstone, Joshua Tiplady, Cole Gillespie, Kapua Manihera-Double, Kienan McCollum, Tyler Barrett, Robert Fiaola, Logan Wood, Kobe Hewitt

### 2019 Achievements

New Zealand Beach Volleyball Championships (3rd)  
Bay of Plenty Senior Secondary Schools Volleyball Championships (1st)  
New Zealand Secondary School Volleyball Championships (2nd)

### Volleyball Scholarships 2020

Billy Johnstone – University of Alberta  
Tyran Gillespie – University of Mount Olive  
Joshua Tiplady – Missouri Valley College

# GIRLS VOLLEYBALL

## Poirewa Tamawāhine

### Junior Girls

At the end of last year we had two Junior Girls Teams compete in the Junior Bay of Plenty Champs.

The Junior B team, Rileigh Barnes-Rodway, Ngarangi Biddle, Brenna Caulfield, Courtney Dodson, Mariaio Ehau, Jovana Jotev, Kimiora Maangi, Aliyah Marsh, Riddhi Ram and Clare Robertson-Pene and coached by Sarah Corcoran, grew well throughout the competition and made significant improvements over the season.

The Junior A team, Paige Gordon, Sarah Howard, Rhiannon Hunter, Haeun Kang, Lucia McDaid-Rush, Molly Phillips, Cleo Poihipi, Ariana Tuielu and Tyla Vaipo ,coached by Melissa Gordon, played some fantastic volleyball and were rewarded with placing second overall at Bay of Plenty Champs.

The following players were invited to trial for the IPC BOP U15 team: Sarah Howard, Molly Phillips and Tyla Vaipo. Sarah Howard was named in the U15 IPC BOP A team with Molly Phillips and Tyla Vaipo named as non-travelling reserves.

The Junior A team then went on to the North Island Junior Secondary Schools Championship in Auckland. They had an exciting week and played some outstanding volleyball. They placed 4th overall. What an amazing achievement for girls volleyball at Western Heights High School.

Congratulations to Sarah Howard who was named in the Junior North Island Secondary Schools Tournament team.

# GIRLS VOLLEYBALL

## Poirewa Tamawāhine

### Senior Girls

The Senior B team: Kate Cameron, Sarah Howard, Rhiannon Hunter, Stacey James, Haeun Kang, Mele Kauwale, Grace Kiff, Lucia McDaid-Rush, Briarna Moore, Cleo Poihipi and Kristen Smith and coached by Tony Moore, played some great volleyball over the BOP competition and developed well as a team.

The Senior A team: Sarah Corcoran, Paige Gordon, Mahina Iasona, Nicki Kiernan, Pariss McKelvey, Molly Phillips, Marie Reuben, Maddie Smith, Preslee Stevens and Tyla Vaipo, and coached by Melissa Gordon, played consistently well over the BOP champs and secured themselves a place in Division One at the New Zealand Secondary Schools Championship.

The Senior A girls then went to the New Zealand Secondary Schools Championship in Palmerston North at the end of March.

They fought hard over the duration of the week. They developed and played well as a team. They placed 8th in Division two.

A huge thank you to Melissa Gordon, Rama Gordon, Kurt Gordon, Tony Moore, Sarah Corcoran, Donella Wright, Aneta Wright and Shannel Vaipo for all their help with the Girls Volleyball programme.

Above Right: Senior B Girls Volleyball 2019

## GIRLS HOCKEY Hōki Tamawāhine

It was a challenging start to the the 2019 season. The girls lost around half of their team last year as they moved into the wider hockey world. They struggled to find people to fill the big gaps left behind. But in true Heights fashion the WHHS Girls First XI Hockey picked themselves up and played on. A number of girls were willing to take up the challenge of the upcoming season.

Heights played in a small pre season tournament where they soon learnt that they weren't quite up to par with everyone else and required a little bit more training. They then went into the BOP local round with a determination to win. Although even then they didn't have the best start, losing and drawing the first few games. However after a couple weeks having some training under their belts, Heights began to win some games until they were in the top 4 of their pool. This then meant that when Heights went into the second round they were offered a spot in the Midlands round that included schools from Tauranga and Hamilton. This extra game every week gave Heights the little bit of an extra boost that they needed. Even though they didn't win many of the Midlands games, they started to win their local round games. It was only a matter of time before the girls found themselves facing off in the finals against Ruamata.

When it came time for the final, the girls put everything they had on the table. Unfortunately they went down 2-1. They held their heads high and kept on going, they had a tournament to get ready for.

The Heights girls were lucky enough to be playing in the Federation and Marie Fry cup that involved the best 32 teams in New Zealand. When the girls arrived they soon learnt that this was going to be a lot harder than they had previously thought. Although the girls weren't prepared for the competition they were facing, they still did their best. Lead by the Captain Tayla Vanner and the Vice captain Kristen Smith, Heights were determined not to leave tournament without scoring. It took until the very last game of the tournament. The game that Heights had decided they wanted to play for one another and not for the score was the game when they converted their first and last goal. They didn't win the game, but they completed the goal they had set out to gain and after a challenging season, this gave the seniors an everlasting memory.

## BOYS HOCKEY Hōki Tamatāne

It has been an exciting year for the Boys 1st XI hockey team in 2019. Rebuilding our team with a number of new players we also welcomed our new coach for 2019, Marley Macpherson. She may just have been our coach for this year but she made an impact on all aspects of our playing and her input has been greatly appreciated.

We had success in our year together. Placing 2nd in A grade was a huge achievement for the team and was a great reward for the effort and dedication of our team and supporters. As well as actually scoring goals and winning games at tournament we also bonded as a team, even if not all those who got the new haircut agreed with the tradition.

A team is more than just the players on the field so a huge thanks to our parents and supporters, especially those who travelled with us to all the away games and the tournament. To the boys who will, after many years, sadly be leaving us, Marty Morris, Jerry Phipps, Angus Checkley, (Jeremy Phipps was the MVP just ahead of Marty Morris.) They led us to a lot of these victories and helped us grow as a team. To the squad who performed at amazing levels with improvements made in every game, see you next year. Considering the youth and the number of new players in our team we were very successful and hope to take that into 2020.

Braedyn Veysi

# NETBALL

## Poitarawhiti

2019 proved to be another great season for Heights Netball. There were 4 Junior teams and 3 Senior teams involving around 90 girls. It was exciting to see so many Juniors partake and Senior players being retained, the future for Heights netball looks promising. Bring on 2020!!

All teams performed extremely well with some really good results, due to the hard work and dedication of coaches, managers, supporters and umpires. A special mention about our senior players who would go back and forth before and after their own games to coach or umpire their Junior teams. It wasn't easy for our girls but they all showed commitment to their team. Awesome work!! Within our region there were 17 Open Secondary Schools and 20 Collegiate teams competing in the Rotorua Netball competition. Schools came from Murupara, Reporoa, and Kura Kaupapa teams combined, which was so pleasing to see.

**The Junior A team** was coached by Mrs Nikkola Hemana and Ms Susan Cantlon was the team manager, Senior Gold Team member Emma Johnston was the umpire. This talented team achieved their goal by winning the Collegiate A Grade displaying excellent defence and attacking skills. What an outstanding performance.

Most Valuable player: Ciara-Jay Baker and Leah Whare  
(shared award)  
Most Improved player: Maia Harrison  
Most Outstanding Contribution: Brenna Caulfield.

Back row: A Perrett, W Newman, C Olsen, A Rihari-Davis, K Urquhart  
Front row: J Steiner, M Hamilton, D Te-Aonui-Whare, A Brunt  
Absent: T Samson-Wickcliffe  
Coach: J Stringer

**The Senior Gold team** was coached and managed by Edward and Amanda Brake, Paula Johnston and came runner-up in the Open Seniors C Grade.

Most Valuable player: Mackenzie Andersen  
Most Improved player: Grace Punter  
Most Dedicated player: Emma Johnston.

Senior Gold Netball Team

Back row: P Edwards, M Anderson, M Carman  
Front row: E Johnston, G Punter, G Jensen, G Marchant  
Absent: I Brake, R Mihaka  
Coaches: E and A Brake, Manager: P Johnston,

Huge congratulations to Molly Phillips, Stacey James, Ruthy Rika, Kayleigh Waller - Rotorua Under 17 Netball team representatives and Jaymee-Lee Merito, Ciara-Jay Baker, Maia Harrison - Rotorua Under 15 Netball team representatives.

## NETBALL Poitarawhiti

The **Senior Premier Netball team** was coached by Dan Haimona and managed by new teacher Maureen Aldridge. Maureen came from Avondale College with a wealth of netball knowledge and exciting ideas. Both Maureen and Dan worked brilliantly throughout the season bringing the best out of the girls.

The season started off early in March where the girls were offered a great opportunity to be curtain raisers for the Magics team who played the Pulse. What a great night of netball and our team had a good win against Nga wharekura O Rotorua.

The team came 3rd in the Rotorua Netball Open Secondary school's grade where there has been a huge improvement overall.

Most Valuable player: Molly Phillips  
Most Improved player: Haeun Kang  
Most Dedicated player: Nicki Kiernan  
Most Inspirational player: Mele Kauwale

### Senior Premier Netball Team

Back row: Manager- Mrs M Aldridge, A Newman, S James, K Wallace-Mcleod, H Kang, M Phillips, Coach - Mr D Haimona  
Front row: C Poihipi, N Kiernan, R Rika, M Kauwale, K Waller

Above Right: Senior Premier Netball girls volunteers at the curtainraiser

## UNISS

Western Heights Premier team competed at the Upper North Island Secondary Schools annual netball tournament, held at Barfoot and Thompson courts in North Harbour Auckland from the 2-6 September this year. This is the largest secondary school netball tournament to be held in New Zealand with 121 teams competing over 4 grades. The A grade teams are qualifying to be one of the six teams to head off to Nationals during the holidays. While the other teams are trying to get to the top of their grades and get promoted to the higher grade. Talented players are identified by selectors and are given the opportunity to trial for the New Zealand Secondary schools team. Competition is therefore, fierce and hard fought, when teams are vying for promotion.

Heights girls went off full of excitement and hope this year. They would have 10 games over 5 days. With a new manager accompanying them this year, they were not quite sure what to expect and neither did I!

Right: The team ready to depart for Auckland

## NETBALL Poitarawhiti

Unfortunately, we had a couple of changes in our pool and we had some hard games right off the blocks. This meant that we really needed to pull together as a team. Our first win was against Rodney College in a close fought game winning 25 / 22. The next win was against Pinehurst which was an exciting game, where Heights won 28 / 20. The final win was against Onehunga 31 / 22.

Interestingly, the girls found that they could play some good structured netball. With some innovative changes made through out one crucial game, when Molly Phillips was put into goal shoot where her strength and skill as a player allowed her to take some of the hard knocks that come from an active defensive player.

Heights with the Avondale College team and Mystics player Grace Nweke

The girls enjoyed the experience both on and off the courts. Meeting my old team Avondale College, from Auckland was a bit of a photographic moment for them. Meeting Mystics player Grace Nweke was an absolute highlight, especially for Kahurangi Wallace-Mcleod.

One of the highlights for the girls was the MasterChef cook off that we did, where each room drew a menu choice and was given a budget so they could supply dinner for the team. The girls were very creative and some really stepped up to MasterChef 'Heights' style, with taking time to plate up.

We ended the week with a couple of injuries, the most serious was when Mele Kauwale sustained a knock to the head and was seriously concussed during our 9th game of the tournament. Otherwise the girls managed to play well together and had an absolutely enjoyable time.

Special mentions need to be made about Amy Brunt and Ciara-Jay Baker. Amy was our tournament umpire and took time out of her busy life to come and support the team by umpiring. She also joined in with team activities with enthusiasm. Ciara-Jay came with us, at the last minute as we were a player short. The experience was invaluable for her and allowed her to see what her future netball highlights will be.

The UNISS team members were: Kayleigh Waller; Molly Phillips (co-captains); Stacey James; Mele Kauwale; Haeun Kang; Nicki Kieran; Cleo Poihipi; Ruthy Rika; Kahurangi Wallace Mcleod and Ciara-Jay Baker. Dan Haimona (coach) Mrs Aldridge (Manager).

\*\*\* We wish to also acknowledge Four Winds Foundation for funding our team's accommodation.

## HEIGHTS MEDIA

Heights Media is a group of students who film school events and other activities both in and out of school. This year our team helped to develop an entry into the 48 Hour film festival. While we didn't manage a placing, it was a great experience for all involved. Our team this year included Amelia Markham-Lumsden, Ashton McGarvie and Matthew Wallbridge (Camera Crew), Amy Brunt and Liam Walker (Post-production editing crew), Braedyn Veysi and Jayden Tamariki (Production support crew) and Ethan Leslie (Photographer). Thanks to our teacher in charge Donella Wright for supporting the club this year and Austin Gear for facilitating the club.

Sean Johnston - Heights Media Leader

# TENNIS Tēnihi

It has been pleasing to see students playing tennis during their lunchtime and sometimes after school. There are a small group of students who are also members at the Rotorua Tennis Club where they get coaching from Club tennis coach Justin Megraw.

## ROCKCLIMBING Pikinga Kōhatu

Fabian Vincent, Tian Hewetsen and Natanya Strawbridge competed in the NZSS Rockclimbing competition held at Rocktopia in Mount Maunganui in September.

The students were a credit to the school and competed proficiently during the competition showing their competency in this sport. These students have a passion for rockclimbing and train after school and at the weekends at 'The Wall' in Rotorua.

### Results for the NZSS Rockclimbing were as follows:

Senior Boys – Fabian Vincent – 12th

Senior Girls – Tian Hewetsen – 14th

Senior Girls – Natanya Stawbridge – 15th

## FUNDING ACKNOWLEDGEMENT Whakamihi Pūtea

WHHS wishes to acknowledge and thank the following organisations that have helped fund many of our sports teams and cultural and performing arts groups throughout the year with equipment, travel, sports uniforms and accommodation costs. Without this funding assistance the majority of our students would not be able to have the opportunity to compete in any regional and National interschool competitions held throughout the year. We are so grateful!

## SMALLBORE RIFLE SHOOTING

### Mahi Pū Iti

In 2019 our Western Heights High School smallbore rifle shooters have achieved some good results in individual scores as we practiced over three terms for the annual Eley/Target Shooting NZ Postal Shooting Competition for schools throughout New Zealand.

In that competition our Mixed (Boys and Girls) No.1 (sling) team consisting of Sophie May, Jack Sands and Kaleb Dickson came ninth in this grade. Our No.2 team, which competed in the Rest Grade, consisted of Campbell France, Calais Ratahi and Riley Mills-Hope placed 7th out of the 36 teams in that competition.

Zach Reichenbach competed creditably as a sling shooter in the Individual Boys competition.

Special mention must be made of Year 10 student Sophie May who as a member of the Rotorua Smallbore Rifle Club is a successful competitor at provincial level. The contribution of Patrick Duncan and Xanthus Anderson to the success of our programme is acknowledged.

All of our smallbore rifle shooters can be very satisfied with the progress they have made this year. It is especially encouraging to see the progress made by Jack Sands and Kaleb Dickson as they adapt to a higher level of shooting using a sling.

## SWIMMING

### Kauhoe

**Bailey Conlon**, at the NZSS Swimming AWD Championships, won gold medals in the 100m and 200m Freestyle, as well as in his 100m Individual Medley. He also won silver medals in the 50m Breaststroke, Freestyle and Backstroke and a bronze medal in the 50m Butterfly.

**Annelise Cowie** was one of Swim Rotorua's top swimmers at the regional Aquaknights Swimming Championships. Annelise (15 yrs) dominated her age group to ensure a clean sweep in the breaststroke events, including an excellent time of 1 minute 15.81 seconds in the 100 metre dash. Annelise also took top honours in the Open age A finals for the 200m Breaststroke and the 400 metres medley.

At the NZ Secondary Schools Swimming Championships, Annelise won a Bronze medal in the 200m breaststroke in a personal best time, and placed 4th in the 100m breaststroke. Annelise also raced in two other events and her personal best time in the 100 medley gained her a new qualifying time for NZ Short Course Championships which she will attend as part of the Swim Rotorua team in October.

#### Riley Granger

Riley Granger (15yrs) competed at the NZ Division II Swimming Competition in Dunedin as part of the Swim Rotorua team. Although Riley had only qualified for the 100m Breaststroke just before the competition he dropped five seconds over the heat and final, to win the Bronze medal. Riley was also a finalist in four other events, placing 4th in the 50m and 200m Breaststroke in personal best times. Riley was also a very valuable member of the Swim Rotorua boys relay team and helped them to secure a fourth-place in the 400 metres medley relay and the 400 freestyle relay.

### BOPSS Swimming Results 2019

<b>Bailey Conlon:</b>	Junior Boys AWD Individual Swimming champion, 1st 25m, 50m, AWD Mixed Freestyle, 1st 25m, 50m AWD Mixed Backstroke
<b>Riley Granger:</b>	Intermediate Boys 50m Breaststroke 3rd place
<b>Damon Cowie:</b>	Senior 50m Backstroke 3rd place
<b>Annelise Cowie:</b>	Intermediate Girls 50m Breaststroke 3rd place

### BOPSS/WAIKATO ATHLETICS RESULTS

<b>Kaea Nepia</b>	BOPSS Championships Junior 100m and 200m: Bronze Waikato SS Championships Junior 100m: Bronze Waikato and BOP Athletics Team, relay team representative at NISS Championships
<b>Kakaia Tuielu</b>	BOPSS Athletics Championships Senior Long Jump: Gold
<b>Marama Pehi</b>	BOPSS Athletics Championships Junior Girls Javelin: Silver
<b>Naomi Gardiner</b>	Competed against boys in 100m and 200m AWD and was the only Senior Girl selected for Waikato SS Team to compete at NISS Championships.

## Eke Hōiho

### Our riders:

Jeremy Walshe, Ashleigh Bolt, Kate Cameron, Rylee Tissink, Georgia Rendall, Jessica Blackburn and Emma Eruini-Bennett.

### Our main events this year:

St Peters Show Jumping, Te Teko Show Jumping, Te Teko Gamblers, St Peters Dressage, Reporoa Gymkhana, Horse Trials and North Island Inter-Schools Show Jumping

### Our Top Results:

Te Teko Show Jumping results: Ashleigh Bolt 2nd in the Speed round and 3rd in the Accumulator

Te Teko Gamblers results: Jeremy Walshe 3rd

Reporoa Gymkhana: Western Heights High School 1st in turnout

A special thanks to the parents who helped manage and volunteer at shows. Your support is appreciated both by the riders and the school.

### The Life Of An Equestrian

It's not just about riding.

*An extract by Kaylee Adamek Lake Erie College May 16, 2016*

"Everyone knows that being an equestrian means constantly being in the barn. We love what we do. Horses are more than just animals to us. They are our best friends. We treat these beautiful creatures like they're a part of our family. I've always treated my horses like they're my children. I love each and every one of them, but I always have my favorites (doesn't everyone though?). There's a catch(isn't there always a catch?). To be an equestrian, you've got to have passion, drive, strength--both mentally and physically-- and most of all, you need heart. Playing with horses every day seems fun. Believe me, I dreamt about it my whole life. It's not all fun and games though. You have to think about everything that could happen because, in an instant, everything can change.....

"I know what most of you are probably thinking. "Why is this girl so obsessed with horses?" To answer your question, it's because I feel so free whenever I'm with them. Whether I'm sliding through the dirt with a reining horse, gliding over a fence with a jumping horse or just hanging out with my horses in their stall, I feel absolute freedom. Horses give us the wings that we lack and they take us for the rides of our lives. If you haven't had the chance to ride a horse, I highly recommend it. Experience the riders' high, look between a horse's ears and feel the wind on your face. I promise you that you'll love it! I hope you have a better understanding of the life of an equestrian now. It's not a glamorous lifestyle but I guarantee that most of the equestrians out there would much rather be in the barn than anywhere else. Make sure to try it sometime because remember: life's a ride, so hop on and go!"

<https://www.theodysseyonline.com/the-life-of-an-equestrian>

## ROWING

All of the early morning rowing trainings and hardwork at rowing camps was recognized at various regattas held over this season. Congratulations to our rowers who competed in various regattas at the Blue Lake and Lake Karapiro. After a long season of training, some of our rowers were unable to compete in the NISS and the Maadi Regatta, due to injuries.

### **NZSS Maadi Cup Rowing Regatta – 25-30 March 2019**

Throughout the week, rowers started off in the heats for the events at Maadi, progressing through repechages and into finals. Events at Maadi for WHHS rowers were:

GU16 Single Sculls E Sharplin

GU16 Double Sculls E Sharplin  
A Rakels

These girls represented our school extremely well and had put in hours and hours of preparation prior to this event. Thank you to the coaching staff from the Rotorua Rowing Club, in particular Glen Riechardt and to the parents who support their children being part of this fantastic sport

## YACHTING Pere Rua

Our sailors again had the opportunity to improve their yachting by sailing together in teams racing. This is run in the international two person 420 class. Teams of 3 boats compete tactically in a match racing format against other schools. We competed at the Bay of Plenty regatta and we were pleased to come a close third. A special thanks to Stu Pedersen from the Bay of Plenty Sailing Academy Trust (BOPSAT) for his passion and providing boats our students can use.

# RUGBY

## Whutupōro

### 1st XV

This year has been one of the toughest years for Heights 1st XV Rugby based on results, however it has been the best year for learning and development for this young inexperienced team with the majority of the team making the big step from Under 15 Rugby in 2018 straight to 1st XV level.

Starting preseason in early February numbers were not looking great and trying to keep motivation high was the key for the usual contributors to preseason training. With training running in conjunction with the WHHS Malaysia touring team, the fitness levels for the majority of the team were at a good level. With a tough preseason game against Cambridge High, the boys showed some real promise and adapted well to new team structures, the game could have gone either way however eventually losing 26-14. The next game was up against a touring team from Brisbane, Australia, St Pauls College. After gaining some much needed confidence from our previous game the boys were able to put this on show, coming away with a strong win 67-7.

Round One kicked off a couple weeks later where this new found confidence had been put to rest with tough games up against some experienced schools carrying a lot of Year 13 players. The team would eventually lose their first 4 pool games before heading into their last game of the round up against old foes Te Wharekura O Mauao. Our leadership boys Robert Fiaola, Kayden Soutar, Samu Gualofa, Jerry Phipps, Treece Herbert and Keegan O'Brien stressed throughout the week that this was going to be a physical encounter and that as a team we needed to step up in order to gain some respect in this competition. As expected straight from the first whistle the boys come out firing with the forwards providing good front foot ball for the backs to find space out wide. Heading into half time break we had a narrow lead 7-5. Defense and patience with the ball were the key messages at half time but as luck would have it we couldn't cross the tryline again going down 12-7.

Round Two came around with the team desperately wanting that crucial win which would have rewarded their efforts during the year. First game we came up against eventual competition winners Trident where they showed us how to play with structure, intensity and passion. Our remaining 3 games were to be decided by less than 12 points, where we either let games slip or started poorly to find ourselves chasing the game, needless to say confidence was not helping with heads dropping and motivation low. Last game of the season we found ourselves up against eventual finalist and 2018 champs JPC. The motivation for this game was obvious, fighting for the W and sending our Year 13's away with something positive to reflect on. Within the first 10 minutes the boys come out like they wanted the game with strong running from Metio Mitai and Riley Marsters which really set the tone. However, as luck would have it again, a few calls not going our way we found ourselves playing with 14 players for the remaining 50 minutes of the game through a red card for bad language. In true Heights fashion this call only seemed to put some fire in the belly and the boys lifted, scoring some intelligent tries to take the lead with 10 minutes to go. However fitness with 14 men slowly was wearing us down and once again the long lasting W would slip through our hands by a last minute try. No matter the result, the boys showed true character and demonstrated the true potential the team had all along.

## RUGBY Whutupōro

As stated previously, this season was one of the toughest but the learning that this team has had, has only set the team up for next year. Majority of this team will stay together for the next 2 years so all is not lost. Heights Rugby will be back, and I know that this group of boys will rally together and take the learning into the 2020 season. The strongest team isn't always the team that wins, but the team who doesn't give up when they lose.

Big thanks go out to our management staff Dyllon Pedersen, Alley James, Joel Wineti and Carleen James. Nigel Shaw for your fantastic photos every game, Stacey Faiers for leading the team of mums for after match functions, and other parents and supporters that helped out behind the scenes and gave the team support through the good and hard times.

### Under 15

The U15 Rugby Team had a successful year achieving the team goal of making the playoffs in the BOP competition. It all started in October last year with a session on team goals, protocols, structures and expectations. This was followed by pre-season fitness and skills trainings with the players determined to play and perform to a high level.

During the first round, grading games the team showed they had the potential and ability to play some well-structured, positive and winning rugby. This was evident with a close loss to Trident and good results against Reporoa and Taupo Nui Tia.

The team qualified and started the Premiership round with a dominating performance against Tauranga Boys College 'Gold' team. After a couple of losses to Trident and Rotorua Boys the team was determined to put that behind them and make a late charge for the playoffs. They achieved this with strong wins against two Tauranga Boys College teams and Te Whare Kura O Mauao.

The semi-final had us playing the top qualifier Rotorua Boys who had completely dominated this grade with impressive wins against everyone including a 67 - 0 thrashing of us. The team was confident with their recent results that if they fronted up and took the game to Rotorua Boys that we would put them under pressure something they were not used to. Self-belief was high and this was reflected in an impressive first half performance where we trailed 12-10 at half time. A couple of late opportunist tries had them win the semi-final. The team were disappointed with the result as they had created enough opportunities to cause a huge upset.

The coaching staff were proud of the boys' effort, ability to implement game plans and willingness to play as a team throughout the season.

We hope everyone continues to play next year to build and develop strong 2nd and 1st XV teams.

Player of the Year – Harry Durban  
Forward of the Year – Koby Grimes  
Back of the Year – Heath Buckley  
Most Improved – Victor Garland

Management Team  
Western Heights U15 Rugby

## RUGBY Whutupōro

### Western Heights High School and Te Kura Kaupapa Māori o Te Koutu Under 14

Whilst the season ended on a high, the road to getting there was a tough one. Struggling for consistency with players during pre-season, then losing all four grading games due to insufficient numbers. Thanks to the commitment of a core group of boys who kept turning up, ultimately encouraging others to step up, our season started to gain momentum.

A request was sent to the BOP rugby union, that we deserved a shot in the next division. The proof was in the results of our games registering 'cricket score' wins in the first round.

Our wish was granted, and immediately we sent a message, that we were a force to be reckoned with in this division, winning our last three games, beating two of the top four teams. Regular season games won 6, lost-0.

A huge thank you to our boys for hanging in there. You showed what it means to stick together, be there for each other and dig deep when times are tough. You have set the platform for an extremely formidable team in 2020.

Lastly, Thanks to the parents, caregivers and loved ones who also hung in there with the team. Your support was appreciated.

T Moore
